Hey Linda – Hope all is well. Just saw this email chain and am wondering whether folks intend to participate in person? I am working predominately remotely but have heard of the issues with virtual participation. Let's chat when you get a chance about how you would intend the team participate.

Hi All-

Thank you for participating in SFIREG's upcoming meeting!

You have been identified by your DD to speak about Treated Articles and Seed Issues at SFIREG's meeting in December. The Treated Articles and Seed Issues has been scheduled for December 6<sup>th</sup> at 10:45am.

Full SFIREG will be held in-person December 5-6<sup>th</sup> at the Residence Inn Arlington Capital View (2850 South Potomac Avenue; Arlington, VA 22202). We are working with SFIREG on securing a virtual component.

Please let us know if you plan to attend SFIREG in person or virtually. Should you attend the meeting in person, please work with your managers to submit a voucher for any travel expenses incurred.

I sent a calendar hold with a 15-minute window on each side of your scheduled time as outlined in the draft agenda (attached). Please note this is a draft agenda and I will distribute the final version once received from SFIREG.

If you plan to have a presentation, please send me your slides no later than Wednesday, November 30<sup>th</sup>. I will then send them to SFIREG.

Please let me know if you have any questions and I will do my best to assist. Again, thank you for participating and see you in December!

Best,  
Vanessa
